

The Trevi 106 pool is an interesting option for those with both space and budget constraints. The pool features steel top seats and uprights: only the top caps are made of resin.

Easy to install and easy on the budget, an above-ground pool is a wise choice. It makes the whole family happy! The fun of summer is right there in your own backyard! Thanks to a wide range of shapes, materials and finishes, you and Trevi can create the pool that's right for your family, no matter your needs. Want a pool for fun? For the kids? For relaxing at the end of a busy day? With Trevi, you will create a delightful, relaxing refuge in your own backyard.

Enjoy summer the way you should
